PARKING

SNO-PARK PERMITS

Required November 1 - April 30 to park in Oregon Department of Transportation maintained parking areas (including the Mt. Hood Meadows parking lots). Permits are available at our Concierge, desk the HRM Lodge and at other authorized permit agents. Parking in an Oregon Sno-Park without a permit may result in a fine of \$30 or more.

RV PARKING

Meadows maintains up to 14 overnight RV parking spaces available on a first-come first-serve basis. RVs must be self-contained, as no services or utilities are available. RVs require a Sno-Park permit. RVs must also obtain an overnight parking permit available at **SkiHood.com/RV** – this is not a reservation, it's just to register when you arrive. The Overnight RV Parking space is located in a designated area in the resort's Sunrise lot. **Limited to 3 days in a 5-day period maximum.**

This institution is an equal opportunity service provider and employer, which operates under a special use permit issued by the Mt. Hood National Forest, USDA Forest Service.

DON'T CROSS A CLOSED BOUNDARY!

Mt. Hood Meadows has both interior and exterior boundaries designating closed areas. Entering a closed area, crossing a closed boundary or entering an open area by crossing over or under boundary rope rather than through gates will result in loss of lift privileges and the potential for fines and criminal trespass proceedings. **STAY OUT OF CLOSED AREAS!**

HEATHER CANYON, CLARK CANYON & PRIVATE RESERVE

Gate Access Only

Access to Heather Canyon, Clark Canyon and Private Reserve is through access gates only. These areas are not patrolled on a regular basis and avalanche danger exists at all times. You may be entering tightly wooded and cliffed terrain. Beware of waterfalls, creek holes and other unmarked obstacles. Names shown are for reference only and are not designated trails or runs.

Skiing/Riding with a partner and carrying a beacon, probe and shovel are highly recommended.

Closure violators will lose lift privileges and may be criminally trespassed.

Avalanche Mitigation Advisory

Mt. Hood Meadows uses several methods for avalanche reduction, including remote delivery systems. Mitigation work may be in progress at any time.

Stay out of closed areas!

POLICIES

IN CASE OF ACCIDENTS

- Place skis upright and crossed in the snow above the scene of the accident.
- Report the accident to ski patrol or to any lift station.
Ski Patrol (Emergency Only) - 503.438.3216
- For quickest assistance, please remain calm and give an accurate location and nature of the injury.
- In the event of a collision with another skier or rider, Mt. Hood Meadows requires those involved, including witnesses, to stop and render any reasonably necessary assistance and upon request present identification or supply his/her name to resort personnel, ski patrol members or the other injured skier.

DRONE POLICY

Drones or model aircraft use by guests, commercial operators, or the media is prohibited without prior written approval of Mt. Hood Meadows. Visit [SkiHood.com/Drones](https://www.skihood.com/drones) for more information.

UPHILL TRAVEL RESTRICTIONS

Mt. Hood Meadows generally prohibits uphill travel in the ski area.

- Specific exemptions exist for access to Super Bowl, adjacent backcountry areas, and Easy Rider events.
- All uphill travelers must remain visible; be aware of hazards and use appropriate footwear.
- Backcountry travelers shall only re-enter the ski area into open terrain.
- Full uphill travel policy including daily avalanche mitigation operations information here: [SkiHood.com/Safety](https://www.skihood.com/safety)

OREGON SKIER STATUTE ORS 30.970 TO 30.990

Violation of any of these duties entitles the ski area operator to withdraw the violator's privilege of skiing. The following are excerpts from the statute. References to "Skiers" & "Skiing" include skiing, snowboarding and other winter activities.

- Skiers accept and assume the inherent risks of skiing (in so far as they are reasonably obvious, expected or necessary).
- Skiers who ski in any area not designated for skiing within the permit area assume the inherent risks thereof.
- Skiers shall be the sole judges of the limits of their skills and their ability to meet and overcome the inherent risks of skiing and shall maintain reasonable control of speed and course.
- Skiers shall abide by the directions and instructions of the ski area operator.
- Skiers shall familiarize themselves with posted information on location and degree of difficulty of trails and slopes to the extent reasonably possible before skiing any slope or trail.
- Skiers shall not cross the uphill track of any surface lift except at points clearly designated by the ski area operator.
- Skiers shall not overtake any other skier except in such a manner as to avoid contact and shall grant the right of way to the overtaken skier.
- Skiers shall yield to other skiers when entering a trail or starting downhill.
- Skiers must wear retention straps of other devices to prevent runaway skis.
- Skiers shall not board rope tows, wire rope tows, j-bars, t-bars, ski lifts of other similar devices unless they have sufficient ability to use the devices, and skiers shall follow any written or verbal instructions that are given regarding the devices.
- Skiers, when involved in a skiing accident, shall not depart from the ski area without leaving their names and addresses if reasonably possible.
- A skier who is injured should, if reasonably possible, give notice of the injury to the ski area operator before leaving the ski area.
- Skiers shall not embark or disembark from a ski lift except at designated areas or by the authority of the ski area operator.

KNOW THE CODE

- Always stay in control, and be able to stop or avoid other people or objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- You must not stop where you obstruct a trail, or are not visible from above.
- Whenever starting downhill or merging into a trail, look uphill and yield to others.
- Always use devices to help prevent runaway equipment.
- Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
- Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

MAIN PARKING LOT

- Shuttle Pickup & Drop off
- Guest Pickup & Drop off
- Porta Potty
